

South Tahoe Amateur Hockey Association Scholarship Application

As a non-profit youth travel ice hockey club, one of our goals is to provide the opportunity to play hockey to all kids who love the game. We support scholarship requests with the help of many contributors, including the parent volunteer time required of all of our families staffing all aspects of our MLK Tahoe Invitational Tournament, among other sources. External sources of scholarship funding are also available, some of which you can find links to under the STAHA Documents tab, in the Scholarships Opportunities folder, on our Club website at www.tahoegrizzlies.com.
